Stakeholder Note

The agenda is designed to create a practical and inspiring youth experience, combining motivational talks, real impact stories from previous attendees, access to exhibitors, interactive workshops and opportunities for young people to connect directly with organisations that can support their next step.

Please note: Some speaker topics, workshop details and exhibitor sessions are still being finalised and will be confirmed closer to the event.

Programme element	Purpose for stakeholders
Keynotes and speaker sessions	Give young people direct exposure to practical life, work, enterprise and opportunity-building insight.
2025 attendee testimonials	Show the real impact of the Expo through young people who progressed into learnerships and workplace experience.
Exhibitor sessions and walk-around	Create direct connection between youth and organisations offering services, opportunities or pathways.
Parallel workshops	Enable hands-on learning, focused engagement and practical skills-building in smaller groups.
Prize giveaways and closing moments	Keep energy high, celebrate participation and close each day with a strong sense of momentum.
